Our Mission Statement

The Melbourne City Council has adopted City Codes specifically designed to address blight and nuisances and to help maintain a clean environment for all citizens in our community. The City of Melbourne does this by working in partnership with the people of Melbourne. The mission of the Code Compliance Division is to promote and maintain a safe and desirable living and working environment. We help maintain and improve the quality of our community by administering a fair and unbiased compliance program to correct issues of municipal codes and land use requirements.
