

**CITY OF MELBOURNE
APPLICATION FOR DOWNTOWN MELBOURNE FAÇADE IMPROVEMENT PROGRAM**

The Melbourne Downtown Community Redevelopment Agency (CRA) is pleased to offer the Façade Improvement Program for commercial buildings located within the Melbourne Downtown CRA boundary. This Program can award grants of up to \$20,000 for qualified projects, when funding is available. Please review these guidelines and contact Community Development Department staff with questions:

City of Melbourne Community Development Department
900 East Strawbridge Avenue
Melbourne, FL 32901
(321) 608-7511
kelly.hyvonen@mlbf.org
Attn: Kelly Hyvonen, AICP, Planner

Program Highlights:

- Purpose: To improve aesthetics of building facades
- Minimum project investment: \$7,500
- Maximum grant award: \$20,000
- Maximum match:
 - North of Crane Creek: 33%
 - South of Crane Creek: 50%
- Eligible projects must be:
 - Located in Melbourne Downtown CRA
 - Have a commercial component

The Community Development Department will accept this application after all prerequisites have been completed and when it is submitted along with all required documents and is determined to be eligible and complete.

Application Prerequisites

- Meeting with Community Development staff
- Recommendation from the Melbourne Main Street Design Committee. Submit two copies of the following to Community Development staff in advance:
 - Current color photos of all building elevations
 - Current color photos of portions of the site seeking funding, if applicable
 - Color renderings, drawings, or elevations of the proposed building/site improvements
 - Project budget and estimates
 - Samples of materials and paint color choices, if applicable
- Certificate of Architectural Appropriateness from the Historic and Architectural Review Board (HARB)

Application Submittal Requirements

- Contact Community Development staff to arrange a time to review and submit application
- Completed Application (page 6)
- Finalized Attachments

PROGRAM GUIDELINES

The Façade Improvement Program Guidelines are broken up into four sections: Eligibility, Components, Requirements, and Process.

A. Eligibility

- The property must meet the following criteria to be eligible to apply for the program:
 - Located within the Melbourne Downtown CRA
 - Located in a commercial zoning district
 - Have a commercial component
 - See attached map on page 5
- Contact the Community Development Department to determine if your property meets these requirements.
- The program is intended for projects that require substantial renovation; therefore, the minimum project investment shall be \$7,500.00.
- Eligible match: Grant funding is available to all eligible properties in the Melbourne Downtown CRA, however, the level of match is determined by location:

Location	Maximum Match Percentage
North of Crane Creek	33%
South of Crane Creek	50%

CITY OF MELBOURNE

APPLICATION FOR DOWNTOWN MELBOURNE FAÇADE IMPROVEMENT PROGRAM

- Tax exempt and tax delinquent properties are not eligible for participation in this program.
- Applications will be considered on a first received, first eligible basis. Applications which are submitted with incomplete information will be returned to the applicant to be resubmitted. Applicants shall make an appointment with CRA/City staff prior to submitting an application.
- The program is not retroactive. Completed projects, projects under construction and projects already under a permit will not be considered.
- Program funding is intended for building facades. The program may be used for site improvements (e.g. landscaping, sidewalks, signage), however, applications for projects that do not address any improvements to the building façade will not be considered. Stand-alone improvements, such as only painting the exterior of the building, are not eligible.
- The program will only address exterior repairs and improvements that are approved by the Melbourne Downtown CRA. In order to be eligible for the program funding, all repairs should be compatible with the original or historical architectural design of the building, when appropriate.
- Eligible exterior improvements must improve the aesthetics of the property, be compatible with the architecture of the building, and must be sensitive to the structure's historic integrity. Improvements may consist of the following:
 - Category 1 improvements – At least 50% of grant request must come from:
 - Façade alteration and repair (structural and non-structural)
 - Restoration of historic signage
 - Restoration of historic building materials
 - Painting of the building
 - Awnings and shutters
 - Doors and windows
 - Siding, masonry or stucco facing, when it is compatible with the architecture of the building and does not destroy the buildings historic integrity
 - Lighting, when used to enhance the façade appearance
 - Category 2 improvements – Remainder of grant request may come from:
 - New signage
 - Landscaping
 - Paving improvements (non-maintenance related)
 - Public art
 - Roofing, may be considered only when it is integral to the architectural appearance of the building
 - Professional architectural or engineering services, not to exceed 50% of the actual cost of the services, or \$2,000 in total reimbursement
- Successive Grant Award Eligibility Considerations:
 - All properties may be eligible to re-apply for full funding if it has been over ten years since Program funding was last awarded.
 - Properties that were awarded Program funding less than \$10,001 in the last ten years may re-apply for the Program, however, the applicant is only eligible for the difference between the maximum project award of \$20,000 and what was previously awarded.
 - The MMS Design Committee, Melbourne Downtown Redevelopment Committee and Melbourne Downtown CRA reserve the right to recommend denial or reduction in grant amounts to properties that have already received grant Program funding within the last ten years, at any funding level.

B. Components

- Grants will be awarded based on many different variables, such as:
 - Visual impact on the commercial district
 - Commitment of applicants to complete project
 - Contribution of project to the economic vitality of the commercial district
 - Enhancement of property appearance
 - Retention of historic features
 - Leverage of private investment
 - Availability of program funding
 - Consistency with the City's Historic and Architectural Review Board recommendations

CITY OF MELBOURNE
APPLICATION FOR DOWNTOWN MELBOURNE FAÇADE IMPROVEMENT PROGRAM

- The MMS Design Committee, Melbourne Downtown Redevelopment Committee and Melbourne Downtown CRA have the discretion to recommend less than the maximum grant amount based upon the award criteria, available funding and proposed improvements.
- For approved projects the CRA will provide a rebate to the applicant at a rate not to exceed the match percentage of the total eligible project cost, as outlined in section 1 above. In no event shall the maximum rebate exceed \$20,000.00. Grants will be distributed in the form of a reimbursement, once construction is complete and the terms stated in the Agreement have been met. The total reimbursement will also be affected by the time of project completion, as determined from the Rebate Agreement contract date. There are incentives for completing the project in a timely manner as follows:

Project Completion Timeframe	Percentage of Total Awarded Reimbursement
Within 120 days	100%
121 and 180 days	90%
181 and 240 days	80%
241 and 300 days	70%
301 and 330 days	60%
331 and 365 days	50%
After 1 year	0%

Notes:

CRA staff has the ability to provide contract extensions to projects demonstrating just cause for delays.

Large projects (i.e. over \$60,000) may be provided additional time consideration within the program agreement.

C. Requirements

- Participants must enter into a contractual relationship with the City/CRA regarding the project by signing a Rebate Agreement.
- The Program participant will be required to meet property maintenance standards as part of the Rebate Agreement with the CRA. This Agreement will require applicants to maintain, at their expense, the improvements completed through the Program for five years.
- Approval from the Melbourne Downtown CRA and a signed Rebate Agreement must be secured prior to commencement of work.
- Applicants must ensure that all required permits and approvals are obtained (building, zoning, architectural and other) for all improvements as a part of the Rebate Agreement.
- When making changes to the approved design plans, applicants must back through part or all of the approval process. Staff will maintain discretion and use best judgment on the types of deviations proposed.
 - For major deviations, staff may require the applicant go back through the process including approval from the Melbourne Downtown Redevelopment Committee and the CRA.
 - If proposed deviations change items that are required to go before the Historic and Architectural Review Board, the applicant must also repeat that process.

D. Process

1. *Meet with Staff.* Applicant meets with Community Development staff to discuss their project plans, review the program guidelines, discuss their eligibility and learn about the application process.
2. *Melbourne Main Street Design Committee.* Applicant meets with the Melbourne Main Street (MMS) Design Committee, who will review the proposed design and make recommendations to the Applicant, if necessary. MMS will forward a recommendation on whether to approve, approve with conditions, or deny the Program application to the Melbourne Downtown Redevelopment Committee.
 - Contact Community Development staff to arrange this meeting.
 - MMS Design Committee will review the Prerequisite Attachments listed on page 1.
3. *Historic and Architectural Review Board (HARB).* Applicant obtains a Certificate of Architectural Appropriateness for the project from HARB. You may apply for this through Community Development staff. HARB reviews projects based whether they meet the adopted Architectural Guidelines. Approval from HARB is required to move forward with the process. HARB does not review landscape and site improvements, only vertical exterior improvements.
 - A HARB application can be obtained from Community Development staff.
 - The Architectural Guidelines can be obtained from Community Development staff.

CITY OF MELBOURNE
APPLICATION FOR DOWNTOWN MELBOURNE FAÇADE IMPROVEMENT PROGRAM

4. *Submit Application.* Contact Community Development staff to arrange a time to review and submit application. Staff will conduct a review of the application for eligibility and completeness. If complete, the application will be date & time stamped. A complete application must include:
 - Current color photos of all building elevations
 - Current color photos of portions of the site seeking funding
 - Color renderings, drawings, or elevations of the proposed building/site improvements
 - Should clearly depict in color and text the proposed exterior changes, noting material, color, texture, etc. when necessary
 - The drawings do not constitute construction documents, but in some cases may be sufficient to obtain permits
 - Project budget and estimates for eligible improvements
 - To be based upon estimates from licensed contractors
 - In lieu of a contractor estimate, an applicant may submit estimates from a Florida licensed architect or engineer
 - Samples of materials and paint color choices, if applicable
5. *Melbourne Downtown Redevelopment Committee.* The Melbourne Downtown Redevelopment Committee reviews the Façade Improvement Program application and MMS Design Committee recommendation. The Redevelopment Committee will make a recommendation to City Council, which sits as the Melbourne Downtown Community Redevelopment Agency.
 - Completed Façade Improvement Program applications should be submitted at least ten days in advance of a Redevelopment Committee meeting.
6. *Melbourne Downtown Community Redevelopment Agency (CRA).* City Council, acting as the Melbourne Downtown CRA, reviews the recommendations of the MMS Design Committee and Redevelopment Committee and decides whether to approve, approve with conditions, or deny the Façade Improvement application.
7. *Rebate Agreement.* If the Façade Improvement Program application is approved by the CRA, the Applicant and CRA enter into a formal agreement, known as a Rebate Agreement.
 - The Applicant will be required to meet property maintenance standards, requiring the Applicant to maintain, at their expense, the improvements completed through the Program for five years.
 - Work may not commence until the Rebate Agreement has been signed and any required permits have been obtained.
8. *Permits.* Once the Rebate Agreement has been signed, the Applicant may submit plans to the Building Department for permits that would ordinarily be required.
9. *Preconstruction Conference.* Applicant may request a preconstruction conference with their contractor and staff to discuss the project scope, procedures for payment, and any other requirements. Requests for this conference can be made through Community Development staff.
10. *Construction.* Contractor shall commence work according to the approved plans and permits.
11. *Reimbursement.* Once construction is complete and approved by the City, the Applicant shall submit copies of documents to demonstrate payments have been made.
 - Documentation can include contractor invoices, cancelled checks, bill statements, or any other approved paperwork to certify payment.
 - Staff will conduct a final inspection of the project to ensure compliance with the approved design plans prior to issuance of any program reimbursement.
 - The Applicant must satisfy all City permit requirements prior to receiving any program reimbursement.
